Miami Mother Lode Directors

Discuss Policy of the Company-Will Place Stock on Curb

Monday evening the directors of the Miami Mother Lode mine met in the company offices in the Concentrator City and outlined the policy that will be followed during the coming year. The meeting was called to decide definitely all preliminary details prior to the extensive work which will be increased immediately upon the arrival of compressor and air drills. Three shifts are continuously working now.

As a result of the conference the stock will be placed upon the curb at once. William Schafer, president and general manager, was instructed to make the proper application, and will leave shortly for the east, where he will carry out the desire of the directors.

There will be a number of changes in the personnel of the officers, due to resignations. Mrs. Ella Schafer, former vice-president, resigned, and was succeeded by F. W. Solomon. A. Reid, a well known realty dealer, asked to be relieved of the office of secretary-treasurer. The vacancy was filled by the election of Mayor G. D. Barclay, who appointed W. M. Metrovich as assistant secretary.

Anticipating the need of larger quarters, due to the press of business which the expansion of the company is necessitating, it was arranged to move the main office of the Mother Lode Company into the building next the Pure Food cafe, which is part of the holdings of the copper company. Mr. Metrovich will be placed in charge of the office and is to attend to the routine affairs under the direction of Mr. Barclay.

The gathering was harmonious in the extreme, the directors expressing themselves as being more than satisfied with the progress of the work at the mine, while the quality and quantity of ore more than justified their expectations. Those present were Chairman F. W. Solomon, H. E. Bragg, H. W. Foust, A. Reid, G. D. Barclay, Mrs. Ella Schafer and William Schafer, president.

Bisbee and Cananea allotted 50,000 shares. Cananea already spoken for 15,000. Application already made for Miami Mother Lode to be listed on Curb. San Francisco people spoke for 50,000 shares in one order. Boston parties took 250,000 in one allotment.

(Cheques may be left at any bank in Bisbee)

The personnel of the directorate comprises:

H. E. Bragg, wholesale shoe manufacturer.

H. W. Foust, financier, Kansas.

William Schafer, mining engineer, formerly with Guggenheims.

F. W. Solomon, Supt. of Miami Copper Co. Mills.

A. Reid, realty and insurance.

G. D. Barclay, mayor of City of Globe.
